

# Rainbow Angel Programme

Join our Rainbow Angel Programme for as little as R100 per month, and you can assist in providing a child in need with a roof over their head, food into their tummy, a warm bed at night and a loving and caring home.

Sponsoring a child has many benefits that go beyond their basic human rights. It gives us the opportunity to show these young children that there are many people in our country and beyond that truly care about them and their well-being.

When you sponsor a child, you will receive regular newsletters about what is happening at Rainbow Children's Village. You may also request a Section 18A certificate which allows you to claim tax certificate up to a certain limit.
