

Rainbow Angel Programme

Join our Rainbow Angel Programme for just R100 per month, and help provide a child in need with a safe home, nourishing food, a warm bed, and a loving environment.

Sponsoring a child offers more than just fulfilling their basic needs – it allows us to show these young children that there are people, both locally and globally, who genuinely care about their well-being.

When you become a sponsor, you'll receive regular updates about the happenings at Rainbow Children's Village. Additionally, you can request a Section 18A certificate, enabling you to claim a tax deduction.
