

Igugu Education Centre

A Safe Place to Belong After School

At Rainbow Children's Village, we know that learning doesn't stop when the school bell rings. For many children in informal settlements, the hours after school are often the most vulnerable. The Igugu Education Centre exists to change that, giving children a place to be seen, supported and nurtured every afternoon.

The Igugu Education Centre offers children:

- Supervised after-school care while parents or guardians are at work
- Homework support and tutoring provided by a qualified teacher sponsored by Sparrow Schools
- Sports, games and play to support physical health
- A daily nutritious meal, juice and fruit prepared by the school and funded by our donors. For many children attending Igugu, this meal is the last substantial meal of the day, making the Centre essential not only for learning, but for wellbeing.

What is the Igugu Education Centre?

Igugu is Rainbow Children's Village's after-school programme, providing a safe environment for children outside of regular school hours. It offers a place for children to do homework and receive extra academic, social and emotional support. We partner with Sparrow Schools who provide a dedicated classroom for the Centre.
